# How do we work?

## Our Process

### Free Intake

We offer a free intake to analyze current sales processes and determine where our services can add the most value.

### Fully Customized

If faster growth is desired, additional sales representatives can be added. All employees have a fully furnished, high-quality workplace equipped with the latest equipment.

### Rapid Implementation

We organize a streamlined face-to-face onboarding. Yes, that means we will fly you to the Philippines! You'll be able to set up your tailored sales strategy together with your new team. We'll take care of organizing your trip.

### Instant Increased Revenue

After onboarding, your team starts generating appointments, trials, or direct sales immediately.

# How do we work?

## The team

A remote sales team consists of at least three professionals. You can expand to a larger team anytime!

- ✓ One team lead
- ✓ Two senior sales representatives

They do outreach based on:

- ✓ Email
- ✓ LinkedIn
- ✓ AI automated messages
- ✓ Calls
